

Jan 9, 2020

Dear Coaches:

The 98th Annual Collegiate Dairy Products Evaluation Contest is scheduled for **Wednesday, April 15th, 2020**. We look forward to your participation in this year's event, which will be hosted by the Wisconsin Cheese Maker's Association in Milwaukee, Wisconsin during the Cheese Conference being held at the Wisconsin Center.

A number of documents are attached to this email.

- ❖ 2018 Contest Rules
- ❖ Event Schedule
- ❖ Contest Entry and Contestant Credentials Form link
- ❖ Coach / Judge Preference Form link
- ❖ Joe Larson Merit Award Information

The Finance Committee has again worked diligently to raise funds for the contest and is pleased to make travel stipends for teams available again in 2020. Guidance for the disbursement of these travel funds will be provided shortly and will be similar to previous years.

Please plan to arrive in time to attend the coaches meeting on Tuesday evening prior to the contest. Coaches and officials will meet beginning at 4:00 pm. Remember, it is critical that team coaches be at this meeting.

Below are lodging arrangements in Milwaukee for the contest. Please use the Wisconsin Cheesemaker's site to book rooms. I would encourage you to make your reservations as soon as you can.

[Hotel Reservations](#)

The contest will be located in room 103 (A-B), with the awards ceremony being held in the Main Floor Ballroom. WCMA is excited to host the Collegiate Contest, and they want to let everyone know that all participants are welcome to join in all of the on-floor functions and receptions. WCMA will provide **free full registration for coaches and students again this year**. I will provide the information and any instructions when it becomes available.

Finally, I have attached the form to nominate students for the **Joe Larson Merit Award**. Please consider nominating your outstanding students to recognize outstanding undergraduate contestants. Nominate students who best uphold the ideals of the Contest: leadership, professionalism, maturity, and an understanding of the value of sensory work to the dairy industry. Remember, these students may or may not be your most skilled product judges! Nominations and essays are due by March 23rd. Joe Larson made a very generous contribution to the contest and two deserving students will be given the award. Now we need you, coaches, to nominate your students – please don't forget!

If you have questions or concerns about any aspect of your participation in this year's Collegiate Dairy Products Evaluation Contest, please don't hesitate to contact me at (847) 627-3249 or chad.galer@dairy.org.

I look forward to seeing you soon in Madison!
