*The 99th Collegiate Dairy Products Evaluation Contest  
Is Dedicated to*

***Chris Thompson***

On behalf of the Board of Directors, it is a pleasure to dedicate the 99<sup>th</sup> Collegiate Dairy Products Evaluation Contest in honor of Chris Thompson. Chris has been associated with the Collegiate Dairy Products Judging contest for over 7 years.

Chris became the contest superintendent in 2017 and under his leadership the contest seamlessly navigated transitioning to an electronic scoring system to modernize the event. He also led the contest through its only interruption since WW1 and WW2 and reestablished it after 2 missed years to preside over the 98<sup>th</sup> contest in 2022.

Chris Thompson serves as the International Standards Director of the Dairy Program within the U.S. Department of Agriculture's Agricultural Marketing Service. He has over 30 years of experience in implementing and managing dairy industry service and regulatory programs. In addition to working with domestic standards activities, Chris provides USDA leadership in putting forth U.S. positions relating to international standards, and he regularly participates in export certificate negotiations and interagency market access activities on behalf of the U.S. dairy industry.

## Awards and Recognitions

**Joe Larson Merit Award** The Joe Larson Merit Award, established in 1998, honors two undergraduate students that best uphold the ideals of the Contest with \$500 and a plaque. The awards are not based on technical placement in the Contest, but reward individuals for other key attributes necessary for industry leadership. These awards are made possible by a generous contribution from Joe Larson.

**Genevieve Christen Award** The *first place winner in the All Products graduate* student competition receives an award honoring the memory of Dr. Genevieve Christen. Dr. Christen was a devoted coach from the University of Tennessee and a strong supporter of the Contest. The winner receives \$250 and a plaque.

**Shirley Seas Memorial Scholarship** This scholarship is awarded annually to the university that places first in the All Products category. This scholarship is given in memory of Shirley W. Seas, who was a Professor of Dairy Science at South Dakota State University. Seas was actively involved in the dairy processing technology teaching program and management of the South Dakota State University dairy plant. Professor Seas was best known as an outstanding teacher and for his dedication as a Collegiate Contest coach. He coached 21 teams and was named as “Coach of the Year” five times. His teams placed first in Butter 17 of his 21 years as coach and won the Contest seven times.

**Dairy Recognition and Education Foundation** The Dairy Recognition and Education Foundation (DREF) was founded to recognize outstanding students studying food and dairy science curricula. Qualified students majoring in dairy processing technology, agri-business or food science are granted scholarships through the Foundation. DREF has assisted more than 2,000 students since 1953. Special awards are presented annually by the DREF to the student participants who finish *first, second and third in the All-Products* individual competitions of the Collegiate Dairy Products Evaluation Contest, and to the *coach of the winning All Products team*.

• The *first place All Products individual* winner receives the \$400 **Robert Rosenbaum Award**, in recognition of the person whose efforts were instrumental in forming DREF in 1953.

- The *second place All Products individual* winner receives the \$350 **Everett Byers Memorial Award**. The Byers Award was first bestowed in 1978, in memory of Everett Byers, who served for 12 years as a Contest judge in the Ice Cream and All Products categories.
- The *third place All Products individual* winner receives a \$300 award, which was established with funds donated by **Harold Roberts**, Professor Emeritus and Coach, Kansas State University.
- *First place individual winners in each of the six product categories* receive a \$200 award, which was established by the DREF Board in 1993.
- The *coach of the winning All Products team* is recognized as coach of the year, presented with the **Aurelia and George Weigold Coach's Award**, and receives \$150. This award was created in 1982, with funding to DREF by **Mr. and Mrs. George W. Weigold**. The award recognizes the devotion, hard work and interest by the college coaches.

The National Dairy Shrine supports the Collegiate Dairy Products Evaluation Contest by serving as the administrator of contest funds.
